1H 2026 LGI's Financial Industry Engagement

January 2026

In January 2026, LGI joined the PRI Listed Equity Advisory Committee (LEAC).

PRI LEAC provides strategic advice to the PRI Executive on listed equity, ESG integration, and active ownership. Specifically, it supports the design of guidance and tools on how listed equity investors should analyze and incorporate ESG issues into investment analysis and portfolio construction. It also helps evolve PRI stewardship guidance.

April 2026

LGI participated in a focus group session held by PWC on the latest MAS guideline - Guidelines on Environmental Risk Management (Asset Managers) – Transition Planning.

The Guidelines build on existing expectations set out in the Guidelines on Environmental Risk Management for Asset Managers to incorporate environmental considerations into their business strategies and plans.

May 2026

LGI participated in an event held by Temasek on Stewardship – Stewarding Capital: Building Enduring Value in Volatile Markets.

The event touched on the role of steward leadership in value creation and the latest Value Unlock development in Singapore.
