

Lion Global Investors appoints Strathnaver Capital as its Marketing Agent in Australia

SINGAPORE, 30 October 2020 – Lion Global Investors Limited is pleased to announce the appointment of Strathnaver Capital Pty Limited in Australia as its marketing agent for its Asian Private Equity strategy. Based in Sydney, its managing director Mr Richard Borysiewicz will work closely with key investment and distribution executives in Singapore to raise funds in Australia for the Lion-OCBC Capital Asia Fund II L.P. (LOCAF II).

Richard has over 30 years of experience in Australia and the Asia Pacific region in banking, corporate advisory and investment management. He launched Strathnaver Capital in early 2020.

“Australia is one of the largest and most sophisticated pension markets in the world and we are very pleased to be working with Richard to bring our Asian Private Equity expertise to Australian Institutional investors” said Gerard Lee, Chief Executive Officer of Lion Global Investors.

Lion Global Investors launched their first private equity fund, the Lion-OCBC Capital Asia Fund I L.P. (LOCAF I) in late November 2014. LOCAF I targeted deals in high-growth small and medium enterprises (SMEs) in four core markets of Singapore, Malaysia, Indonesia and China. What started out as a US\$300 million fund was upsize by over 30% to US\$400 million in just nine months due to strong demand from institutional investors. Investors were attracted by OCBC Bank’s strong reputation and its regional on-the-ground presence supporting LOCAF I. With LOCAF II managed by the same investment team, investors can expect similar network and access to private equity deals in the four core markets.
